Negroni

A classic bittersweet aperitivo cocktail made with a combination of equal parts gin, bitter aperitivo and sweet vermouth stirred together then served over ice with a slice and twist of orange.

Bitter Spritz

Light, dry and refreshing with a hint of fruit and bitterness. Slices of fresh strawberry soaked into a combination of pressed pink grapefruit juice, sparkling water, gin, bitter aperitivo and sparkling wine.

Dry Martini (6:1)

The ultimate (probably) aperitivo cocktail. Gin (or Vodka) stirred with dry vermouth then served up with a choice of olives or twist.
