Coffee G&T

Perfect for a three drink menu because it can be made with any base spirit. Lower strength and no added sugars, it's the perfect cocktail to satisfy a wide audience.

PBJ Shake

Vanilla ice-cream, oat milk, fresh raspberries and of course, peanut butter blended together into a dangerously delicious shake. Fresh raspberries keep the drink from becoming too sweet and make it even more drinkable! Add a splash of whisky or rum if the mood takes you.

Ranch Water

Tequila (can be made with other spirits if preferred) served long with a little fresh lime juice, all served in a bottle of sparkling water. A beautifully long, clean and refreshing cocktail that's a genius is it's simplicity!
